In the period when it was a Yugoslav republic, Montenegro only had an international border with Albania. That border was one of the most closed in Europe since Yugoslavia's conflict with the Informburo in 1948. Yugoslav-Albanian relations began to improve in the early 70s, which in the same period was reflected in the improvement of cooperation between Montenegro and Albania, until the crisis in Kosovo in 1981. The paper analyzes the political, economic, cultural and inter-ethnic relations between Montenegro and Albania, as part of the Yugoslav-Albanian relations. The paper is based on primary archive sources.

**KEY WORDS:**

Montenegro; Albania; Yugoslavia; International relations

**SAŽETAK:**

U periodu kada je bila jugoslovenska republika, Crna Gora je međunarodnu granicu imala samo s Albanijom. Ta granica je bila jedna od najzatvorenijih u Evropi od sukoba Jugoslavije sa Informbiroom 1948. godine. Jugoslovensko-albanski odnosi su počeli da poboljšavaju početkom 70-ih, što se u istome periodu odrazilo i na poboljšanje saradnje Crne Gore sa Albanijom, do krize na Kosovu 1981. godine. U radu su analizirani politički, ekonomski, kulturni i međunacionalni odnosi Crne Gore i Albanije, u sklopu jugoslovensko-albanskih odnosa. Rad je zasnovan na primarnim arhivskim izvorima.

**KLJUČNE RIJEČI:**

Crna Gora; Albanija; Jugoslavija; Međudržavni odnosi;

---

<sup>1</sup> DRAGUTIN PAPOVIC (Niksic, 1980). He finished elementary school and high school in Nikšić. He graduated in 2003 at the Faculty of Philosophy in Niksic (Department of History and Geography). He received his MA in 2007 at the Faculty of Philosophy in Belgrade (Department of History).
